Final Project
My Monster Roommate

Scene 1

Victor: Frank! What the hell! The toilet?

(The monster walks in)

Frank: What? Did I leave the seat up again?

Victor: Not exactly.....
(Victor points at a crushed toilet)

[Laugh Track]

(Intro Music)

Victor walks into the house after work looking tired. He puts his bag down on the side and plops down on the couch, tired. After a few seconds he starts to smell something is off. He gets up quickly into the swinging door into the kitchen to see Frank failing at trying to make dinner. He is putting out a fire with a fire extinguisher.

Victor (*Hands on his hips*): Frank!

Frank is covered in white soot from the fire extinguisher and coughs out a puff of white powder.

[Laugh Track]

Frank: Well, I was trying to make dinner...

Victor: Frank! I have Elizabeth coming over for dinner tonight! You've messed up half the kitchen!

Frank: Well you got the other half...

[Laugh Track]

Victor sighs looking at the messed up kitchen
Henry pops up from the kitchen door.

Henry: Somebody burning a chicken over here?

[Audience starts cheering and clapping]

Victor: Hey Henry, well Frank decided he's cooking dinner tonight.

Henry: You know, Frank, I never thought you were actually a murderer. Until I saw this dinner.

[Laugh Track]

Frank: Well I tried my best....(sad face)

[Awwwwwww....]

Henry: Aw, c'mon Franky, you know I was just kidding (half-hugging him)

Victor: (Hand holding the top of his nose): Frank, it's ok, but Elizabeth is coming any second. I don't know what I'm going to do.

Henry: Well that's what I'm here for right?! Let's clean this place up, and whip up a dinner so good, she'll be melting in your hands (winks)

Frank: Wait, wasn't she your cousin?

[Laugh Track]

Victor: (nervously looking from side to side) uhhhh.... No she's like a close family friend..... at least in this version.....

[Laugh Track]

Henry: Version? What do you m----

Victor: SO YEAH! Let's get cooking!

[Laugh Track]

Scene 2

We see the dining room. The kitchen door swings open and Victor scurries in wearing a dirty apron and quickly puts a serving dish with a chicken on the table. He then lights two romantic looking candles and dims the lights. He looks nervous. Frank and Henry come out from the back looking proud of themselves.

Henry: Well buddy, we did it!

Victor: Yeah with barely a minute to spare.

Frank: You see? I told you I could make dinner. You all doubted me. You doubted the “monster”!
What kind of monster am I now? (chuckling proud of himself)

Victor: Frank... we ordered out.

[Laugh Track]

Frank: (hands on his hips) Yes but who knew the number to the place?!

[Laugh Track]

Henry: (hands out in disbelief) I did!

[Laugh Track]

Frank: Yes...well who threatened to kill all the restaurant staff if they don't get here in time?

[Laugh Track]

(Henry and Victor simultaneously sigh) : You.....

[Laugh Track]

Frank (smirking): Exactly.

[Laugh Track]

There's a knock on the door. All three of them almost jump and start shuffling around trying to get everything ready. Victor tries to fix his hair and tells Henry and Frank to run into the kitchen. They both wink and give him a thumbs-up and go into the kitchen and pop their heads out of the door to watch. Victor walks to the door and takes a deep breath. He's about to open the door and realizes he is still wearing his apron. In a panicked manner he takes it off, balls it up, and throws it to the side. Hand back on the doorknob, one last deep breath and opens. It's Alphonse, his father.

Alphonse: Somebody rang?!

[Audience cheering and clapping]

Victor: (sighs annoyed) Dad! Nobody rang! Stop trying to make yourself a catchphrase!

[Laugh Track]

Alphonse: Well... I just got here... I rang....

Victor: No dad, you knocked...

[Laugh Track]

Alphonse: Huh.... Ok. Well can I come in?

Victor: Yeah. Yeah. Come in (gestures for him to come inside)

Alphonse walks in. Frank and Henry pop out from the back and the door swings open and they are surprised and happy to see Alphonse.

Frank and Henry (arms open to greet Alphonse) : HEYYYYYY! SOMEBODY RANG??!!!

[Audience Laughing and Cheering]

Alphonse hugs them, happy.

Henry: So, what are you doing here?

Alphonse: What do you mean? It's poker night!

[Laugh Track]

Henry and Frank: Oh yeah!

Victor: WHAT POKER NIGHT?! I HAVE A DATE!

[Laugh Track]

Henry and Frank: (sadder now) oh yeah.....

[Laugh Track]

Henry: Sorry Vic, we forgot Elizabeth is coming...

Alphonse: Elizabeth? My niece?

[Laugh Track]

Victor: (hand on his face) NOT IN THIS VERSION!

[Laugh Track]

Scene 3

Henry, and Alphonse are all standing in the kitchen. Henry is snacking on something. Victor walks in from the living room holding a phone.

Victor: Well she just called, she got held up in traffic, she'll be here in a few minutes.

Alphonse: I'm sure everything will be fine, son.

Henry: Yeah buddy, what are you so nervous about?

Victor: I don't know, I'm just not good with dates.

Henry: Victor... you created a person. I'm sure you can handle a date.

[Laugh Track]

Victor: Have you met Frank? He's not exactly known for his *personality*.

[Laugh Track]

Frank walks in looking good dressed in a suit fixing his tie by the mirror.

[Audience goes whoooooooooo]

Henry: Whoa Franky! Looking good, pal!

Frank (fixing his hair): Thank you guys... I too have a date....

All three of them stare at Frank in disbelief for a few seconds...

[Laugh Track]

Victor: What.... You're kidding....

[Laugh Track]

Henry: How'd you land a date?

Frank: I was at the mall and some girl thought I was a basketball player. So I hit on her and it worked....

Victor(Hand on his face): Oh nooo... who did you attack, Frank?!

[Laugh Track]

Alphonse: No Victor, he said "hit it on her", like... romantically.

Victor: Well, where are you going to take her? (chuckling) The woods to show her your favorite tree? [Laugh Track]. Or down to the pond to catch her a fish with your bare hands? Sounds like the date of a lifetime.

[Laugh Track]

Frank: Actually I got us reservations at *La Mer*.

All three are staring in disbelief again.

[Laugh Track]

Victor: What?! I tried to get a reservation there! They're booked for months!

Frank: Oh, I know the owner...

Disbelief again [Laugh Track]

Henry: Did you threaten to kill him like our waiter at Cheesecake Factory?

[Laugh Track]

Frank: Hey! He forgot the Parmesan. I don't have to be a monster to threaten somebody for that.

[Laugh Track] *Henry nods his head in agreement*

Victor: Damn it, Frank! What did I say about threatening everyone!

Frank: I didn't threaten him!

Victor(arms crossed): So how exactly did you get to know the owner of the most exclusive restaurant in town?! Threaten to kill his family?

[Laugh Track]

Frank: No, we met at the gym...

All three in disbelief again [Laugh Track]

Victor: Ok... I have so many questions.... First of all, you go to the gym? Secondly, you met him at the gym and he got you reservations?

Frank: Uhh... Yes, Victor I go to the gym, I have to keep up my physique. [Laugh Track]. And yes, I was helping him with his workout, he was benching all wrong, so I showed him proper form. I've been helping him get into shape ever since... You think these guns came about on their own? (Smiling, flexing his bicep)

[Laugh Track]

Henry(Impressed): Wow Frank, nice! Hey I've been trying to hit the weights a little myself lately... you think you can train me?....

[Laugh Track]

Victor (Angry): Henry! Hello?! He didn't train anything! I build him, remember?! I gave you those biceps!

[Laugh Track]

Frank: Yeah but you must have taken my brain from a body builder or something, because I just seem to know perfect form and how to set up my macros and everything...

[Laugh Track]

Alphonse: That's ridiculous, I'm sure that's not true...

Victor:(sighs) No.... he might be right.... I think I got his brain from a guy who OD-ed on steroids....

[Laugh Track]

Alphonse: Hey Frank, if you've got a date, then that tie is not going to do. Let's go find you one that looks good enough for a big date.

Frank: Okay, sure.

(They both leave and go upstairs)

Victor: Unbelievable, my whole life I've been terrified of women and just focused on science. I create a hideous monster and he's getting dates all of a sudden.

[Laugh Track]

Henry: Ah cmon Vic! I'm sure you got plenty to offer the ladies. Way more than Frank anyway, you're like an actual person after all.

Victor: I wouldn't be too sure about that... I built him... Like all of him....

[Laugh Track]

Henry (confused): Yeah....so....?

Victor: Like allllll of him.... (gesturing a large size with his hands)

[Laugh Track]

Henry: Ohhhhhhhhhh!

[Laugh Track]

Doorbell Rings. Victor jumps and starts shuffling around.

Victor: Okay! She's here! *(Takes a deep breath)*

Henry: You got this man!

Victor: Yeah... (walks through swinging kitchen door into the living room, walks up to the door, takes a deep breath, and opens it. It's not Elizabeth, it's another woman who is gorgeous)

Victor: Oh, hello?

Samantha: Hi! Is Frank here?

Victor's face drops [Laugh Track]

Victor: You gotta be kidding me...

[Laugh Track]

Victor (still in disbelief): Yeah, uh what was your name again?

Samantha: Samantha

Victor(yelling): Uhhhh Frank! Samantha's here!

Frank comes out from the kitchen with Henry and Alphonse behind him. Henry and Victor share a look in disbelief.

Frank: Hey Sam! Ready to go?

Samantha: Yeah sounds good.

Frank is now standing next to Samantha

Frank: Don't wait up (winks and leaves with Samantha.)

[Laugh Track]

Victor closes the door in disbelief.

Victor: Unbelievable....

[Laugh Track]

Henry: Looks like he's doing pretty well for himself.

[Laugh Track]

There's a knock on the door.

Victor: Now what! (swings open the door, its Elizabeth)

[Laugh Track]

Elizabeth: Uhhh, Hi Victor.

Victor(nervous): Oh! Hi Elizabeth!

Elizabeth: Sorry I'm late.

Victor: No! It's fine please come in... (gestures for her to walk in)

Henry and Alphonse: Hi Elizabeth!

Elizabeth: Hey Henry! And Uncle Alphonse! [Laugh Track] How are you I haven't seen you in forever! (Comes over and hugs him)

[Laugh Track]

Henry is laughing uncontrollably and Victor looks very embarrassed.

Henry: Well it's so nice to have the whole FAMILY back together like this!

[Laugh Track]

Victor(angry): Ok! (nervous laughter) I'll see you guys later (waving at them to leave)

Henry and Alphonse start walking out, just before they step out Henry says:

Henry: Don't you just love family reunions?

[Laugh Track] *Alphonse laughs*

End of Scene
